Campers On Mission

Be On Mission

What Is Campers on Mission?

Campers on Mission (COM) is a national fellowship of Christian campers who want opportunities to share their faith and love of Jesus Christ while camping or participating in missions activities. Sponsored by the Adult Volunteer Mobilization Unit of the North American Mission Board of the Southern Baptist Convention, membership is open to Christian campers of all denominations. There is no membership fee.

A love of the great outdoors and Christian fellowship are two characteristics of Campers on Mission. Whether backpackers hiking mountain trails, families on vacation, or senior citizens motoring the highways, they look for ways to tell others about Jesus Christ and God's love.

Any adult can be a Camper on Mission—single, married, young, or retired. COM is family friendly. Camping provides a great way for families to enjoy the relaxation of a vacation and the satisfaction of a missions project. COM creates a pathway for becoming an on-mission family.

What do Campers on Mission do?

Campers on Mission participate in short-term missions projects across the United States and Canada. Typically, these projects last a week or more. They could be anything from construction, disaster relief work, and Backyard Bible Clubs to projects at state fairs, campgrounds, NASCAR races, parades, or truck stops. In many

creative ways, Campers on Mission combine their love of the outdoors with ministry across North America.

Campers on Mission Logo

The COM logo was designed to provide opportunities to witness about faith in Jesus Christ. The design—a fish encircled by a compass—promotes conversation. The fish, an early Christian symbol, denotes personal acceptance of Jesus Christ as Savior.

The compass star symbolizes the expanse of God's creation and reminds members that, wherever they roam, God is present. The circle surrounding the design represents God's eternal existence and bountiful love for all people. Another benefit of the distinctive emblem is that members displaying it are easily identified by

one another so they can join together in Christian fellowship "as they go."
