2012 Semester Opportunities List

Thank you for your interest in serving as a Semester Missionary with the North American Mission Board! You are embarking on a journey that will have a lasting impact on your life and eternal impact of the lives of others. The following pages are the many different opportunities for service. As you read through them, please remember the following:

- The dates of projects may be flexible. Contact the local supervisor to determine if there is flexibility in the start or end dates.
- Feel free to contact the local supervisor if you have any questions or need more information about the projects.
- The sooner you complete your application the more likely you are to receive one of your top three choices.
- Click [here](#) to apply online. **You must use Microsoft Explorer to do an online application.** Please email studentmissions@namb.net for a PDF copy of the application.
- More information, including qualifications can be found at www.namb.net/student-opportunities.

Choosing a project from so many choices can be overwhelming. Figuring out where to serve is part of the adventure! Start by praying about it and being willing to say “yes” to whatever project God leads you to—before you make up your mind about where you want to go.

Think about your gifts, passions and life experiences. Do they line up with the needs of any specific projects? Would you be able to get excited about and stay committed to the work that needs to be done there?

Also, think about the location of the project. Do you want to serve in a major city with a great diversity of people and cultural experiences? Or do you feel God may be calling you to serve in a suburban or even rural area?

You will be asked to list your top three choices for projects on your application. Our staff will work with you and the field partners to place you in a project that matches your specific gifts and interests.

Please contact our Missionary Mobilization team if you have any questions. Call 1-800-462-8657 or email studentmissions@namb.net.

First Baptist Church / Tahoe Resort Ministries

CA01SM1112

Project Description

Students are needed to work in our A+ Before and After School Ministry, My Morning Out, Parents' Night Out, and Ski Ministry (ski ministry is spring semester only.) There are also electives of youth, music, and drama if you are interested. Students will be laying a spiritual foundation in the lives of children and youth with the goal of helping children and their parents come to know Jesus Christ. 80% of children who come to our ministries do not go to church anywhere! If you do not come, they will not hear about Jesus! You will be challenged to grow spiritually and emotionally. You will be investing yourself into the lives of the children and families of this community. You will learn that life is not about you. You will learn that life is about giving yourself away to the high glory of God. The church, the community, and the staff will invest their hearts and lives in you. We seek to train you to be leaders of the future. You will learn communication skills, dealing with other personality types, conflict resolution skills, organizational skills, and ministry skills. We are looking for extroverted, relationship-oriented, energetic, organized, and self-motivated students. This is a life-changing experience for the majority of students who serve with us. We've seen children and their families become Christians. We've seen children from the ministries grow up to serve as missionaries around the world. One even became a silver medalist in the 2002 Salt Lake Olympics. Students will work as a team, be well-supervised, and work in an organized ministry. To work in one of the three preschool positions, we require that you have completed at least 15 hours of early childhood education classes. For more information, please visit www.tahoeministries.com.

CrossView Church

CA03SM1112

Project Description

CrossView Church LA is located in Los Angeles, CA, USA. The mission of our ministry is to spread the gospel and make disciples who make disciples and start churches who start more churches. The student missionary will help in this by reading the Bible one to one with believers and unbelievers, help lead mission teams throughout the semester, participate and to participate as a healthy member of our local church or any church we may plant during the semester. They will seek to make disciples who are then equipped to make disciples. The missionaries will also be learning and discussing ministry and mission issues as well as have coaching with a ministry leader. Those who have a desire to be pastor-elders will also have responsibility and training in line with that ambition.

This is a part-time position.

Elevate Church

CO01SM1112

Project Description

Elevate Church is a new church plant in Denver, CO. We are located specifically in the Stapleton area, a new community of 6,000 residences. By 2013, there will be 12,000 residences. This area is lacking a Baptist church. Ninety-eight percent of people here in this area do not attend church. Student will see first-hand what goes into starting a church from the ground up.

We began monthly services in a nearby elementary school. Students will be involved in the administration duties of the church, set up and take down of services, outreach to the community, and teaching the children and youth. Outreach to the community involves neighborhood block parties, going door-to-door, passing out flyers at community events, and other engagement activities as they arise. Semester Missionaries will be responsible to disciple the children and youth during Bible studies and services, as well as involving adults in Bible study and church services for evangelistic witness discipleship and spiritual growth.

This is a part-time position.

Cornerstone Fellowship

HI07SM1112

Project Description

Cornerstone Fellowship is a multicultural church located in the geographic center of the island of Oahu, in the community of Mililani, and has a church-wide strategy of connecting, growing and serving. Cornerstone Fellowship is seeking a student missionary to help grow our 20 SOMETHING and student ministries through discipleship and leadership development in a small group setting and lead the lost to Christ. The student missionary position will assist the church in accomplishing this call with the middle school to college age students of Mililani, Hawaii. The candidate should be male and vocally and instrumentally able to lead Praise and Worship in a small group setting (preferably keyboard or guitar). The student missionary will be a part of our F.A.I.T.H. training ministry.

The Living Vine

GA05SM1112

Project Description

The Living Vine is a Christian home for women in crisis pregnancies. Our desire is for each resident to come to know the Lord and to learn to apply His principles to their lives. Many residents have horrible backgrounds of abuse, neglect and addictions. We are looking for missionaries who are open to loving those who can be challenging and who desire to pour their gifts and talents out to the Lord. This position requires interpersonal skills, sensitivity and a teachable spirit.

We have an outreach o four lower income communities through Blessingdales Thrift Store. The staff serves the clients through service, love, prayers and offering the salvation of Christ. We need hardworking, creative, and self-motivated individuals. For many who would never darken the doors of a church, Blessingdales offers an untraditional way of showing the love of Christ.

The Living Vine is an excellent place to learn about ministry as we encounter a myriad of issues not just pregnancy. The staff at the Vine provides crucial support during this time of learning and growth. Because this position will require you to be stretched beyond your imagination, drawing closer to the Lord will be what sustains and flourishes you.

Clarkston International Bible Church

GA07SM1112

Project Description

Clarkston International Bible Church is a multi-ethnic congregation located in Clarkston, GA, home to international refugees from around the world. The purpose of our ministry is to make disciples who multiply disciples, leaders, groups and churches. We seek to accomplish this purpose through building relationships by ministering to physical, emotional and spiritual needs. Activities include prayer walks, discovering “persons of peace”, developing community ministries and teaching using the chronological Bible story method. Students will be part of a multi-ethnic, local church and work with a local NAMB missionary. Students will experience a diversity of cultures, while being trained in Bible storying methods, learning church planting strategies and sharing the Gospel cross culturally.

Family Heritage Foundation

GA08SM1112

Project Description

Our ministry's purpose is to reconcile people of different cultures to God by introducing them to Jesus Christ as the One True Savior. We work primarily with refugee families and show them God's love in practical ways. Our programs include Bible studies, community outreaches, after school tutorials with extra-curricular activities and job skills training. We have between 60-70 students (K-8th grades) in our program. These students represent a bridge between our ministry and their families.

Atlanta Metro Baptist Association

GA09SM1112

Project Description

The Atlanta Metro Baptist Association operates a ministry named “Moncrief Community Ministries”. Its purpose is to provide contextualized ministry in multiple sites within the Perimeter Highway of Atlanta. Our purpose is to engage people in poverty with the hope of the Gospel and to help the client move out of the slavery of poverty. One of the locations is in East Point. It provides an afterschool program for children (mainly Latino) in grades 1-6. This afterschool program provides tutoring, homework time, recreation, and Bible Study. The students will be able to help children better understand those things they did not catch in the classroom (we work closely with their teachers), be helped with their homework, and learn more about what the Bible says and how to apply it to their lives. It is my desire that this ministry opportunity will help a college student see that ministry something they can do in their Jerusalem as well as the uttermost parts of the world.

Baptist Friendship House

LA13SM1112

Project Description

Baptist Friendship House seeks to minister to the spiritual, emotional, and physical needs of hurting people through love, action, and truth. The ministry provides transitional housing for homeless women with children and various community ministries. Our various ministries includes: Bible Studies, chapel, literacy training, GED preparation, computer skill, English as a Second Language, life skills, job skills, hunger ministries, nutrition classes, preventative program (Up 2 HOPE) for girls 8+, showers for homeless women, clothing closet, creative arts program, and human trafficking ministry.

The student will be exposed to the realities of life and people living in poverty. They will interact with hurting people and learn what it is to minister to the whole person. The student will be able to see that it is the power of Jesus Christ that transforms the lives of people who often feel helpless and hopeless. The student is able to take things they may be learning in a classroom and apply them in life. For those that have not yet determined what direction God is leading the, the varied ministries we have will help them determine their passion. The student will learn how to interact with different cultures and bridge the gap between social cultural rules.

Trinity Baptist Church

OK03SM1112

Project Description

Ada, OK has diverse mission needs and opportunities. Trinity Baptist Church is located in Ada, OK two blocks away from East Central University. ECU is a regional university with 5,000 students. We partner with the campus BCM to lead students, faculty and staff to place their faith in Jesus Christ. We seek to move them to a place of discipleship and active involvement in the church. The student missionary will do this by building evangelical relationships, sharing the gospel and guiding them to involvement in the local church. We also see the need to reach out to our town's growing Hispanic population. Many of them do not have a personal relationship with Christ and need assistance in practical needs, such as learning English. We seek to meet their practical and spiritual needs. The student missionary will assist in the English as a Second Language program and in sharing the Gospel with this population. We also wish to reach our lower income neighborhoods by sharing the Gospel and offering needed services. The student missionary will accomplish this by developing service projects and sharing the Gospel. The student missionary will benefit by serving with us by receiving mentoring from our mission pastor, training in personal evangelism, leadership and administration. The student missionary will have the opportunity to use their talents and gifts to serve alongside a mission-minded church.

This is a part-time position.

The Well Community Church

SC01SM1112

Project Description

The WELL is a new church in the Greenville/Simpsonville areas with a passion for community and for serving those in need. Jesus never saw church as a place to go but a people who are learning to love Him and love others. At the WELL we hope to connect or reconnect people with the God who loves them deeply.

Our mantra is LIVE LOVE SERVE:

- To LIVE for God
- To LOVE others
- To SERVE our community

Interns will be serving alongside of our team as we launch a new student ministry. We are reaching new young families and our student ministry is vital to the discipleship and outreach of our church. Student missionaries will get hands on experience in the early stages of building a youth ministry from the ground up. Student missionaries will work with the lead pastor and other leadership team members to create a strategy for reaching lost teens. They will also start a youth ministry program from scratch. What better way to learn and grow in student ministry than to be there from the very beginning.

BCM - Spartanburg

SC08SM1112

Project Description

Spartanburg Baptist Collegiate Ministry is located in Spartanburg, SC just across the street from the University of South Carolina's Upstate campus. Spartanburg is a genuine "college town", home to Wofford College, Converse College, Spartanburg Methodist College, Spartanburg Community College and USC Upstate. These schools combined have an approximate enrollment of nearly 15,000 students. The students represent a diverse group that includes: medical students, arts students, student athletes and commuters. The BCM needs additional ministry personnel to help in reaching these "unreached" students in the Spartanburg metro area through evangelism and discipleship, as well as, help in establishing stronger ministry presence on the campuses in order to reach out to students who are not following Christ. The purpose of the Spartanburg BCM is to reach students, faculty and staff on our campuses for Jesus Christ. We desire to follow Jesus' example from Matthew 4:19, "Come, follow me and I will make you fishers of men". Our main tool for doing so is the use of relational, small group communities in order to make disciples who are equipped to go and make other disciples. The ideal semester missionary for this position would be an innovative, teachable, well-organized and self-motivated person with good communication skills and a genuine love for all types of college and graduate students. Training and/or experience in evangelism, leading small group community, storying and one-on-one discipleship are highly encouraged. Missionaries must be relational with a strong desire to reach out to a highly secular community. Missionaries will have the opportunity to invest in the lives of new and growing Christians and be challenged themselves to grow in their own personal lives in the area of spiritual disciplines and God's call for ministry.

Austin Peay State University

TN05SM1112

Project Description

The Baptist Collegiate Ministry is located on the campus of Austin Peay State University in Clarksville, TN. The university enrollment is now over 10,000 and continues to be one of the fastest growing state universities in Tennessee. It is the desire and ministry plan of the BCM to continue to be an essential part of the campus community with this continued growth and changes. We are committed to finding and implementing creative ways to reach the campus as a whole – this includes traditional students, athletic teams, faculty and staff, and international students.

Lyndon State College

NG01SM1112

Project Description

Lyndon State College is a small, influential liberal arts college in the Northeast Kingdom of Vermont, currently without a recognized evangelical witness. More can be learned at www.lyndonstate.edu. The student missionary will establish a collegiate ministry at Lyndon State College in partnership with Lyndon Center Baptist Church. Through evangelistic outreach and discipleship relationships the missionary will build a fellowship of believers at the college and start a collegiate ministry in the local church. The missionary will see the fruit of their labor in students who are disciple and become active in the church and spreading the gospel on campus.

The Gallery Church

NY05SM1112

Project Description

The mission of The Gallery Church is to be a healthy church in NYC for the fame of Christ. The students will aid the Gallery in ministering to the community and church body. This will include (but not be limited to) city uprising events, Sunday gatherings, and small group ministries.

The student will gain a first-hand look at church in an urban context, and will also be able to exegete the Gospel in a NYC environment.

Students for this ministry will be selected directly by the ministry. If you are interested in this position, contact the local supervisor.

The student missionary will need to raise their own support to assist with housing, food, and local transportation needs. The specific amount will be set at a later time by the local ministry.

The Foundry Church

PASJ03SM1112

Project Description

The Foundry is located in the college cluster community of Wallingford/Swarthmore, Pennsylvania. It is situated in the heart of Delaware County and serves as the bedroom community of Media, the County seat. We have within a five-mile radius five colleges with 22,000 students. Our target schools are Widener University, Swarthmore College and Penn State Delaware County.

The purpose of the semester missionary position is to assist with the expansion of our worship gathering “the Forge” and discipleship ministry “Logos” as a part of our Multiplying Church Center to lead students, faculty and staff to place their faith in Jesus Christ. And to connect to a relationship with the local church. We seek to guide them in baptism, spiritual growth and into an active church involvement. The student missionary will do this through intentionally building witnessing relationships, sharing Christ with unchurched people, enrolling and involving them in Bible Studies as well as other activities sponsored by the Foundry.

The student missionary will benefit from serving with us by receiving mentoring from our pastor, lay leaders in the church as well as the interaction with region BCM training events. They also will receive training in personal evangelism, small group leadership, church planting and leadership development. They will also be involved in the life of a healthy growing church that is on the cutting edge of collegiate church planting in America. They will have opportunities to utilize the skills, talents and spiritual gifts God has given them to assist in accomplishing our vision for our region.

The Foundry exists to Engage, Equip and Empower people to become fully devoted Christ followers. We are committed to Penetrating our Culture, Expanding the Kingdom, and Impacting the Generational to come.
