Subject: 2022 Annual SBC Chaplaincy Events

The professional and spiritual development of our SBC endorsed chaplains is of uttermost importance to our mission as Southern Baptists and the Commission entrusted to us by our Lord and Savior. Every year the SBC Chaplaincy Team hosts several regional events chaplains can attend, including the regional Chaplaincy Professional Development Training (CPDT) conferences that are offered throughout the United States and globally for Military Chaplains stationed overseas.

Our CPDT training theme this year is “SBC Chaplaincy and the Gospel Mandate.” The keynote speaker is Dr. Matt Queen, Associate Dean, L.R. Scarborough Chair of Evangelism (“Chair of Fire”), and professor of evangelism in the Roy Fish School of Evangelism and Missions at Southwestern Baptist Theological Seminary. Dr. Queen’s passion for the Lord and love for the lost along with his clear exposition of God’s Word make him a valuable resource for our chaplains to be inspired and encouraged while serving in their various ministry contexts.

Below is a list of the 2022 SBC Chaplaincy regional training events.
