IT'S ALL ABOUT the Gospel

THE NORTH AMERICAN MISSION BOARD EQUIPS CHURCHES TO BE ON MISSION IN THEIR OWN COMMUNITIES AND ACROSS THE U.S. AND CANADA.

North America's needs are great. Children go hungry. Neighborhoods become disaster zones after storms. Entire communities have no church presence and no one to tell them about the hope found in Christ.

Through church planting, replanting and compassion ministry, chaplaincy and disaster relief, we partner with congregations to reach the lost and hurting with the good news of Jesus.

CHURCH PLANTING

In communities across North America, millions of people don't know Jesus. Brokenness is pervasive, and it can only be healed through the hope of the gospel. Church planting is our strategy to spread the good news and bring gospel restoration. Send Network is a family of churches planting churches everywhere for everyone, so that we can see a healthy, multiplying church in every community.

COMPASSION MINISTRY

Every day, millions of people around the world are struggling and desperately need help and hope. From poverty and human trafficking to foster care and refugees, finding ways to make a difference can be overwhelming. Through Send Relief, a cooperative effort between NAMB and the International Mission Board, you can connect with people in need through mission trips and compassion events, as well as tools, training and partner opportunities. Let us help you meet needs and share the life-changing gospel of Jesus with people overseas, across North America and right in your own backyard to reach the lost and hurting with the good news of Jesus.

EVANGELISM

The hope of the gospel is the thread that weaves through every ministry we undertake. Both Send Relief and Send Network help missionaries and churches share the gospel in their context. The North American Mission Board provides specific resources to help pastors and individuals reach their communities.

DISASTER RELIEF

If you have seen a disaster on the news in the past 50 years, Southern Baptist Disaster Relief was probably already there. From damage assessment to welcoming returning residents back into their homes, Southern Baptist volunteers are the first on the scene and the last to leave. This nationwide network of state-based teams does more than just cleanup. It brings the hope of the gospel to people whose lives have been shattered.
