

Subject: 2024 Annual SBC Chaplaincy Events

The professional and spiritual development of our SBC endorsed chaplains is of uttermost importance to our mission as Southern Baptists and the Commission entrusted to us by our Lord and Savior Jesus Christ.

Every year the SBC Chaplaincy Team hosts several ministry events, including the regional Chaplaincy Professional Development Training (CPDT) conferences that convene throughout the United States, and quarterly webinar series. These annual training opportunities provide you a time for spiritual renewal, continuing education, best practices, pastoral care, networking, and fellowship with other SBC endorsed chaplains.

Our CPDT training theme this year is “The Character of an SBC Chaplain.” The keynote speaker is Dr. Richard Blackaby, who serves as the president of Blackaby Ministries International (<https://blackaby.org>) and a prior senior pastor and seminary president. Richard regularly works with Christian CEOs of Fortune 500 companies, and travels extensively and internationally to speak on spiritual leadership, experiencing God, revival, and God in the marketplace. Dr. Richard Blackaby's passion to help others in spiritual leadership and coaching makes him a valuable asset to the chaplaincy ministry.
