

Episode 2: Renewing the Church

Discussion Guide:

• Has your community ever been impacted by a natural disaster – a tornado, hurricane, flood, or earthquake? What was the immediate impact of the disaster? Now, think about a year after the disaster.

Were there parts of the community that were still suffering due to that disaster? Why?

• What are some symptoms of people drifting away from the church? What are symptoms of drifting from sound doctrine? Does not being involved in a local church increase the likelihood of drifting from sound doctrine?

• List what you consider to be the top three external threats to the church:

-
-
-

• List what you consider to be the top three internal threats to the church:

-
-
-

• Reflect on the answers you gave to the previous question. What actions do you believe the church collectively needs to take against these threats?

• What are the essentials we need to focus on as we begin the process of renewing the church?
