

## Episode 8: The Stain

### Discussion Guide:

- There have been many stories publicized of sexual abuse in the church. Remember back to a recent account you can recall. How did you feel upon learning the news?
- What steps has your church taken to prevent sexual abuse within the church and to protect those who come forward with their stories? If you are not aware of your church's policies, consider why it is important for you to find out that information.
- In Trevin's interview with Deepak Reju, they discuss several policies a church can have in place to protect children. List three that you think are important.
